**SHRED** is a clinically proven, 100% natural, advanced dietary supplement specifically formulated to assist patients in their weight loss journey. When patients struggle to shed excess pounds, the unique combination of B vitamins and lipotropic amino acids can supercharge metabolism, optimize energy levels, and accelerate fat-burning with supervised guidance from a healthcare professional.

### KEY BENEFITS:

Enhanced weight loss. Pharmaceutical-grade, premium-quality ingredients support metabolic processes and boost fat mobilization.

**Increased energy levels**—**SHRED** combats fatigue with a powerful blend of B vitamins for an instant energy boost that helps patients stay energized throughout the day.

**Appetite control**—**SHRED** can help patients provide a feeling of fullness and reduced appetite so they can take charge of their eating habits.

**Support for overall well-being**—Pharmaceutical-grade, therapeutically-dosed ingredients promote cardiovascular, immune, and nervous system health. Lipotropics Inositol and Choline mobilize fat from the liver and aid in detoxification programs.
